

# COSWORTH DRIVE LOCAL PARK

## COMMUNITY FEEDBACK DAYS

Following an extensive consultation process which involved the following

- ✓ An article announcing the project featured in the Council's Annual Report (delivered to every property in parish). Residents were encouraged to give their views.
- ✓ A special edition of the Council's newsletter the Parish Picture was delivered to every property in Dibden. A questionnaire was included which allowed residents to give their views.
- ✓ Details were available from the Accredited Community Safety Officers open day held at Tesco in Dibden.
- ✓ Visits were made to Orchard and Noadswood schools. Information was gathered from the children as part of a project.
- ✓ An open day was held at Hythe Youth Club which enabled parents, young people and staff from the relevant authorities to interact using a number of materials to build models of their ideas for a local park.

As a way of letting the community know the results it is planned to host some open days.
