Dear All,

**Revised Draft National Park Management Plan**

Please find attached for your consideration and comment the revised draft Management Plan, which will be considered by Members at the Authority meeting on 29 October 2009. I have also attached for your information a copy of the accompanying report that will be considered by Members which hopefully helps to explain some of the changes that have been made. We are making these documents available to you in advance of the publication of the agenda (22 October 2009) to assist you in letting us have any comments by 12 November 2009.

The accompanying illustrative maps (showing existing designations and features) will be available in the final version of the Plan. Further information about the Plan together with supporting documents is available on the Authority's website and can be viewed by following this [link](#)
