

Application for Hythe of Activity 2019

What is Hythe of Activity?

26th August 2019 (Bank Holiday Monday) 10am -4pm Hythe Village centre

It is an opportunity for all the clubs, charities, social groups, societies, lunch clubs, community group, support groups etc. to 'set up stall' in Hythe Village Centre to promote their activities to the community. Hythe is rich in support and things to do but many people are still not aware of all that's available, hopefully this will bring in new members as well as volunteers and even sponsors. Hythe of Activity was started 9 years ago, it was such a success it was taken over by another organisation but in recent years it has faded so this year we are rejuvenating it and putting it back in the Hugh street where it started along with an Arts, Crafts and Vintage Market for added footfall and interest.

We will provide a table but you will need to bring your own chairs plus information and some form of activity, sale, give-away, demonstration or competition to keep the stalls interesting.

Name of Organisation	
Contact Name	
Email Address	
Facebook Page if you have one	
Phone Number	
What does your organisation do?	
Activity you will be bringing (sale, demonstration, etc.)
